

Garden Solutions

Specialist Compost, Mulch & Soil Conditioner Suppliers

Spring Offer

From 18th February until 17th March 2019

Reshredded Mushroom Compost

An excellent soil conditioner, helps to break down heavy clay soils but also beneficial for light sandy soils, adding humus.

£4.35 per bag

Multipurpose Compost

A good quality compost that can be used for seed sowing, growing bedding plants and potting up.

£5.45 per bag

Special Summer Mulch

This will gently feed your garden over the summer months whilst giving an attractive look which will also aid weed suppression.

£6.99 per bag

Farm Yard Manure

A universal soil improver, fully composted and easy to handle with loads of natural nutrients

£5.50 per bag

Natural Fertiliser Plantermix

This new product is very similar to our Plantermix however it has no synthetic fertiliser added to it. Can be used in pots, window boxes, raised beds, planters or any other area of your garden.

£6.00 per bag
